EMBRACE THE

summer ♥

Let the sunshine in! Warm days and tables made for slow evenings. Our new summer collection is ready to introduce itself to you...

We're so excited to share **all** of the items with you, starting of with our new tableware line... it's time to meet June. With its natural glaze and shape, June feels fresh **like** a summer morning, timeless to love forever. Light, elegant, and designed to make every shared meal feel effortless and special.

Our beloved blue collection is growing too, inspired by coastal breezes, seaside afternoons, and playful details you'll love mixing with your favourite basics.

For the sweetest moments, we have added new pink pieces that turn any day into a little celebration. A lovely birthday plate and a floral cake stand, perfect for celebrating with loved ones.

Beyond all these new arrivals, we've expanded our essentials with charming basics, delightful quotes, and new artworks.

Here's to sunshine on the table, laughter in the air, and a season filled with beautiful memories. Let's make this summer unforgettable, together.

Lots of love,

x BC Team
